

“Ahoy Thar Matey!”

Arrr, ye be remembrin that it's *International Talk Like a Pirate Day*. Aye, matey, I be wantin' to remine ye, don't be a scallywag, ne'er pirate computer software and music. It bein' illegal to copy computer software an' all.

Shiver me timbers, Jacks and Lassies, piracy be causin' \$34 billion in losses a year (that thar's a whole lotta gold).

Be forewarned, thar matey, computer piracy's against the law. Thar's serious consequences, large fines an' ye'll be thrown in the dungeon.
